

**Declaration 5**

**Biocides**

Product name:
Area of application:
Producer/Supplier:

**Are the biocides potentially bio-accumulative?**  Yes  No

Biocides are the active ingredients in slimicides (not bio-accumulative, if  $BCF < 100$  or  $\log K_{O/W} < 3$ , OECD test 107, 117 or 305 A-E).

The test results should be given in a datasheet or by the supplier.
